About DRIE

The Disaster Recovery Information Exchange (DRIE) is a non-profit association of professionals dedicated to the exchange of information on all aspects of planning for an emergency or a disruption to normal operations. DRIE's goal is to provide an accessible, informal, open forum for the exchange of information and knowledge related to the many variations of emergency preparedness.

At our quarterly meetings we have presentations on many of the following topics:

- Disaster recovery planning;
- Business resumption planning;
- Contingency planning;
- Crisis management;
- Crisis communications;
- Emergency response; and
- Risk and business impact assessment.

Become a Member

Membership fees are tax deductible as dues to a professional association, if paid by an individual rather than a company or organization. For more information, go to [Join DRIE Toronto](#).

DRIE Toronto is a non-profit organization with total revenues of less than \$40,000 per year.

Meeting Schedule

DRIE meetings are an excellent forum to network with other business continuity,
